## FIXED LINE

**Save over 60%\* on your  
fixed line charges!**

## Why choose Comm-Tech Fixed?

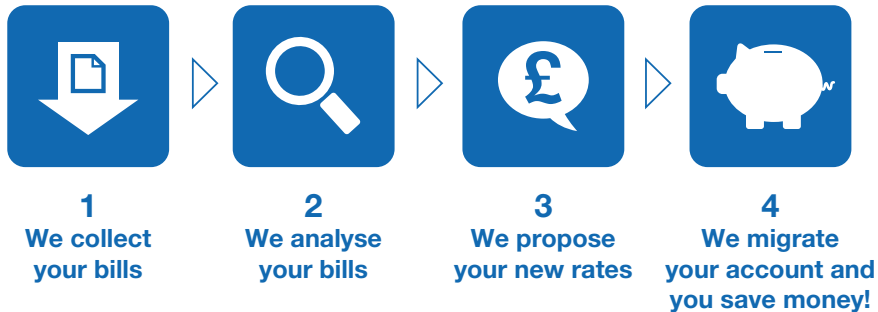

Supported by market leading carriers, Comm-Tech's Fixed Line proposition offers products and services to meet your individual needs. We're extremely confident that we can offer significant line rental cost reductions and savings on various call destinations.

We have over 27 years of experience in the communications industry and are always updating our portfolio to keep you at the forefront of business communication technology.

Comm-Tech offers 24/7/365 support to their customers, ensuring that calls are always answered. Calls made out of office hours are logged and forwarded onto the relevant contact.

## How does it work?

We handle everything...

## How do our rates compare?

UK mobile calls cost per minute	BT** 12p
	From 1.6p
Standard UK landline calls cost per minute	BT** 9p
	From 0.67p

\*Average saving based on January 2014 client proposals  
 \*\*Based on current standard daytime BT rates published 19th April 2013

## How much could you save?

As part of our consultation process, our experienced team will thoroughly analyse your monthly calls, proposing a bespoke tariff which could provide significant savings.

See how much Comm-Tech Fixed has saved other businesses:

Bill analysis completed based on bills as provided by the customer. Savings calculated based on 36 month contract.
